[6] Education and Research (ED)

[6.1] Number of Courses/Modules Related to Environment and Sustainability Offered

The screenshot shows the 'Academics and Research' page of the SWU Green University website. The page features a green header with the university's logo and navigation links. Below the header is a large image of students in a lab setting with the text 'Academics and Research' and 'Sustainability efforts through education and research'. A paragraph of text describes the university's commitment to sustainability. At the bottom, a dark green banner displays three statistics: 361 (circled in red) for the number of sustainability-related courses/modules, 5,631 for the total number of courses/modules offered, and 6.4% for the ratio of sustainability courses to total offerings.

Icon	Value	Description
